Don't polish the brass

DESCRIPTION

Bestlite has been in continuous production since 1930. Robert Dudley Best created Bestlite design. He was highly influenced by the Bauhaus. In the past 80 years, people appreciated the lamps and it decorates many homes, hotels and restaurants worldwide. Loved by architects, designers and design aficionados throughout its 80-year history, today, Bestlite enjoys global iconic status.

 Tube and arm: Brass with lacquered surface
 Textile covered cord

Shade and base: Brass with lacquered surface
 Tube and arm: Brass with lacquered surface
 Textile covered cord

INSTALLATION INSTRUCTIONS

The Bestlite key:

It's a practical tool that enables you to fasten the lamp arm. Simply use it like a screwdriver in the slot in the Bestlite nut.

It is possible to provide the lamp with a remote control, and use directly on your wall for remote switching of the lamp. Please see the dedicated BL2 remote.

Technical information:

Light source: E14 E-27 LED (not included) or A19 halogen bulb. Full power of these lamps may be used. The lamp is not approved for outdoor use or use in damp/wet locations.

Some advice on cleaning your Bestlite:

Powder coated parts - base, lamp holder and shade: Use the spray with a spray cloth instead of your own and a lot of mild detergent.

Chrome plated parts:

Use the spray with a spray cloth and avoid dry brushing. If the surface is dirty use a mild polish made especially for chrome or other soft metals.

Use only soft cloth for wiping and polishing, never sponges or steel wool.

Do not use abrasive household cleaners.

Do not use acids or other cleaning materials, glass cleaner or household products.
